### MEMORIAL DAY

---

The graves of the soldiers were decorated for Memorial Day, as usual. The baskets were filled by the school children and carried to the several small cemeteries by Mr. Huntress, who sounded taps. Those for the Bean Cemetery were taken over and distributed by the 4-H Club, with Leader Raymond Kelley, before the arrival of Mr. Huntress.

The exercises were held on the Library Lawn on Sunday afternoon, instead of on Memorial Day, as has been the custom for several years, thus making it possible to get music and a speaker. The speaker of the day was Capt. Leon Huntress, U. S. A., of Manchester. The local band and children from all the schools, assisted with the program, which was followed by a short concert by the band

has heretofore been under the jurisdiction of Moultonboro School District, which has hired and paid the teacher, as well as paying its share of other running expenses. This year Center Harbor has charge of both rooms in the building, and Moultonboro pays a tuition charge of \$38 for each pupil attending.

### **School Buildings and Equipment**

The schoolhouses of Center Harbor are in very good repair, with good lighting, suitable heating equipment, and modern chemical toilets. One of the schools—at the Town House—has adjustable seats and desks.

The West Center Harbor building needs painting, Some of the wall maps in use there and elsewhere are worn out or obsolete, showing Europe as it was before the World War. A new globe is needed at the Village school.

### **Changes in Supervisory Unions**

In 1933, the State Legislature, by cutting the appropriation for state-wide supervision of schools, made necessary a decrease in the number of superintendents employed, and a rearrangement of the school districts in various unions in such a way as to increase the number of teachers under such superintendent. Center Harbor is now included with four other districts—Ashland, Meredith, Holderness, and New Hampton.

### **Health and Physical Welfare**

Success in study of school work of any type is dependent upon good health. Our school nurse makes an annual inspection of the physical condition of each pupil. Where defective eyes, ears, teeth, etc., are found, corrections are recommended; and in many cases such

## TOWN OF CENTER HARBOR

---

defects are remedied. The nurse has personal conferences with many parents concerning the health of the children, arranges for clinics or hospital care when funds can be procured from individuals or organizations and follows up cases that need attention.

Miss Nichols has proved herself a willing worker and a competent nurse. If we are fortunate to retain her services for another year, she should be able to accomplish more than this year, as much of one's time at first is in getting acquainted with the people, the territory, and the needs of the children.

### **Teaching the Fundamentals**

Whatever other worthwhile activities the school may encourage or develop in our children, we must never lose sight of those old-fashioned necessities, reading, writing, arithmetic, spelling and English. To aid in directing instruction in these branches, standardized tests are being given from time to time to determine the standing of each class and individual as compared with others in the same grade elsewhere. These tests have another valuable function, to determine the points of weakness in each pupils preparation and thus to guide the teachers in providing drill where most needed.

### **Recommendations for 1935 - 1936**

At the present time, Center Harbor is the only one of the five districts in this supervisory union which does not have the services of a music supervisor. Believing as I do that the rural school child is entitled to training equivalent to that given in larger centers, I hope that next year we may have again someone to

guide this important phase of education as we have in the past.

I suggest that the West Center Harbor building be repainted during the coming summer, and that some means of better ventilation be provided for the toilet rooms at the village school.

Respectfully submitted,

ALMON W. BUSHNELL,

Superintendent of Schools.
